

Nomination for the KCBIA Board of Directors

The Kamloops Central Business Improvement Association has an order to accurately represent our general membership. Therefore, we encourage you to take a moment and determine whether you or someone you know has the desire to seek election to the Active Board of Directors. We require 3 Directors in the Property Owner Category and 3 Directors in the Tenant Category.

As a member of the Active Board of Directors of the Kamloops Central Business Improvement Association, you are required to attend Board of Directors meetings held the first Wednesday of each month 7:30 – 9:00am, as well as other functions sponsored by the KCBIA from time to time. You will also be asked to sit on and possibly chair at least one KCBIA committee. When appointed to a Standing Committee, attend any meetings called by the Chair. Experience to date is that most committees meet monthly. Currently there are four committees: Education & Communication, Safety & Security, Marketing and Business Development.

You may also choose to sit on an advisory committee in which you represent the KCBIA in a non-voting capacity and report back to the board and membership. These committees may be formed at any time throughout the year as required. You may also be assigned to an existing community committee.

Be prepared to speak to issues affecting the Downtown, respond to “position” referrals from the General Manager, represent the BIA when speaking to members and build the development of the BIA in the area.
